SOUTHERN DISTRICT OF CALIFORNIA CLERK, U.S. DISTRICT COURT
SOUTHERN DISTRICT OF CALIFORNIA
SOUTHERN DIVISION BY *William W. [Signature]* Deputy Clerk

UNITED STATES OF AMERICA,

Plaintiff,

v.

FALLEROOK PUBLIC UTILITY
DISTRICT, et al.,

Defendants.

No. 1247-SD-C

WILSON AND COAHUILLA CREEKS
SUB-WATERSHED

INTERLOCUTORY JUDGMENT

No. 33A

FINDINGS OF FACT, CONCLUSIONS OF LAW AND INTERLOCUTORY
JUDGMENT NO. 33A, RESPECTING LANDS IN WILSON CREEK AND
COAHUILLA CREEK SUB-WATERSHEDS WHICH DO NOT OVERLIE ANY
GROUND WATERS WHICH FEED OR CONTRIBUTE TO THOSE STREAMS
OR THEIR TRIBUTARIES

This Court, based upon the record before it in the subject
case, makes and enters the following Findings of Fact:

I

The United States Court of Appeals for the Ninth Circuit
remanded this case for trial, declaring that: "The only proper method
of adjudicating the rights on a stream, whether riparian or appropriative
or mixed, is to have all owners of land on the watershed and all appro-
priators who use water from the stream involved in another watershed in
court at the same time." 1/

1/ State of California vs. United States, 235F.2d 647,663 (C.A.9, 1956)

II

1
2 Proceeding in accordance with that mandate, the Complaint and
3 Amendatory and Supplementary Complaint in this cause was served upon
4 the owners of the lands within the watershed of the Santa Margarita
5 River and all appropriators who used water from that stream in any
6 other watershed. Moreover, those parties named in the cause who could
7 not be served personally were served by publication.

III

8
9 The subject matter of this case, based upon the pleadings
10 and the issues joined in it, relates only to the rights to the use of
11 the waters of the Santa Margarita River, its tributaries and to the
12 ground waters which feed, add to, support and contribute to the waters
13 of the Santa Margarita River and its tributaries.

IV

14
15 There are situated within the sub-watershed of Wilson Creek
16 and Coahuilla Creek certain parcels or tracts of lands which do not
17 overlie any of the ground waters which feed, add to, support or contri-
18 bute to the waters of the Santa Margarita River or its tributaries.
19 Those lands are comprised of basement complex or weathered basement
20 complex, the ground waters of which, if any, are vagrant, local and
21 percolating, not a part of the surface or sub-surface flow or sub-sur-
22 face basins of Wilson Creek and Coahuilla Creek or any of their tribu-
23 taries, nor do these ground waters feed, add to, support or contribute
24 to the waters of the Santa Margarita River or any of its tributaries.

- 25
26 a. Attached to these Findings of Fact, Conclusions of Law
27 and Interlocutory Judgment, marked Exhibit A and made
28 a part of it, is a map, U.S.A.Pl's Exhibit 211-C,
29 designated Wilson Creek Watershed, Ownership and
30 Geology Map, which includes Coahuilla Creek and its
31 tributaries, upon which are located all of the lands
32 referred to in this Finding.

1 b. Also attached to these Findings of Fact, Conclusions of
2 Law and Interlocutory Judgment, marked Exhibit B and
3 made a part of them by reference, is an alphabetical
4 list of the names of the apparent landowners and parcel
5 numbers whose properties are referred to in this Finding.
6 That alphabetical list is U.S.A.Pl's Exhibit 211-A in
7 this case.

8 c. Also attached to these Findings of Fact, Conclusions of
9 Law and Interlocutory Judgment, marked Exhibit C and
10 made a part of them by reference, are the land descriptions
11 of the properties referred to in this Finding. Exhibit C
12 is U.S.A.Pl's Exhibit 211-B in this case.

V

13
14 This Court retains continuing jurisdiction over all surface
15 waters within the drainage area of the sub-watershed of Wilson Creek
16 and Coahuilla Creek and their tributaries.

CONCLUSIONS OF LAW

17
18 This Court makes the following Conclusions of Law respecting
19 the lands referred to in Finding IV above and which are described in
20 Exhibit C:
21

I

22
23 The defendants referred to in Finding IV, their successors,
24 heirs, executors, administrators and assigns, have no rights to the
25 use of ground waters which feed, add to, support or contribute to the
26 waters of Wilson Creek and Coahuilla Creek or their tributaries, or
27 of the Santa Margarita River and its tributaries, in connection with
28 the lands referred to in Finding IV, which are described with particu-
29 larity in Exhibit C.

II

30
31 There is not at issue before this Court in this cause and
32 there is not decreed, determined or adjudged, inter sese, as to the

1 lands or owners of land referred to in Finding IV in this cause, the
 2 rights, if any, to the use of the vagrant, local, percolating waters
 3 which may underlie any of the lands referred to in the above set forth
 4 Finding IV and which are described with particularity in Exhibit C of
 5 these Findings of Fact, Conclusions of Law and Interlocutory Judgment.

6 III

7 The United States of America, and all other parties to this
 8 action, having rights to the use of waters of the Santa Margarita River
 9 or its tributaries, as those rights are or may hereafter be determined
 10 by the final judgment of this Court, are entitled to have quieted their
 11 title in and to those rights against any and all adverse claims of the
 12 defendants referred to in Finding IV, who are listed in Exhibit B of
 13 these Findings of Fact, Conclusions of Law and Interlocutory Judgment,
 14 their heirs, successors, executors, administrators and assigns, asserted
 15 by reason of their ownership of the lands described with particularity
 16 in Exhibit C of these Findings of Fact, Conclusions of Law and Inter-
 17 locutory Judgment.

18 IV

19 The defendants referred to in Finding IV, whose names are
 20 listed in Exhibit B and whose lands are described with particularity
 21 in Exhibit C of these Findings of Fact and Conclusions of Law, their
 22 heirs, successors, administrators, executors and assigns, are entitled
 23 to have quieted their titles in and to their rights to the use of the
 24 vagrant, local, and percolating ground waters, if any, underlying those
 25 lands described in Exhibit C, against the adverse claims, if any, of
 26 the United States of America and all parties to this cause, their heirs,
 27 successors, administrators, executors and assigns, by reason of rights
 28 asserted by the United States of America and all parties to this cause,
 29 their heirs, successors, administrators, executors and assigns, in and
 30 to the use of the waters of the Santa Margarita River and its tributaries.

V

This Court retains continuing jurisdiction with respect to surface waters, if any, found on those lands described on Exhibit C of these Findings of Fact, Conclusions of Law and Interlocutory Judgment.

INTERLOCUTORY JUDGMENT

IT IS HEREBY

ORDERED, ADJUDGED AND DECREED, that:

I

The defendants referred to in Finding IV and listed in Exhibit B of these Findings, the apparent owners of the lands described with particularity in Exhibit C of these Findings of Fact, Conclusions of Law and Interlocutory Judgment, their heirs, successors, executors, administrators and assigns, by reason of their ownership of those lands, have no right, title or interest in or to the ground waters which feed, add to, support or contribute to the waters of Wilson Creek and Coahuilla Creek or their tributaries, or of the Santa Margarita River and its tributaries.

II

The titles to the rights of the United States of America and all other parties in this action having rights in and to the surface and ground waters of the Santa Margarita River and its tributaries, as they are adjudicated, decreed and determined by the final judgment of this Court, shall be and they are forever quieted against any and all adverse claims of the defendants referred to in Finding IV, and who are listed in Exhibit B, their heirs, successors, administrators, executors and assigns, who assert rights by reason of their ownership of the lands described in Exhibit C of these Findings of Fact, Conclusions of Law and Interlocutory Judgment; and those defendants, and each of them, and their heirs, successors, executors, administrators and assigns, who by reason of their ownership of the lands described in Exhibit C assert rights in the vagrant, local, percolating waters

1 therein, are forever restrained from asserting, claiming or setting up
2 any right, title or interest in or to the waters of the Santa Margarita
3 River or its tributaries, by reason of their ownership of those lands
4 described in Exhibit C.

III

The ground waters, if any, which underlie the lands referred to in Finding IV, and described with particularity in Exhibit C of these Findings of Fact, Conclusions of Law and Interlocutory Judgment, are vagrant, local and percolating, not a part of the waters of Wilson Creek or Coahuilla Creek or their tributaries or of the Santa Margarita River and its tributaries and are not in this cause adjudged, determined or decreed among the defendants listed in Exhibit B of these Findings of Fact, Conclusions of Law and Interlocutory Judgment, their heirs, executors, administrators, successors or assigns, inter sese.

IV

The titles to the rights of the defendants listed in Exhibit B, their heirs, executors, administrators, successors or assigns, in and to the vagrant, local percolating ground waters, if any, to which these Findings of Fact, Conclusions of Law and Interlocutory Judgment pertain, which are not a part of the waters of the Santa Margarita River and its tributaries, underlying the lands described in Exhibit C of these Findings of Fact, Conclusions of Law and Interlocutory Judgment, shall be and they are forever quieted against any and all adverse claims, if any, of the United States of America and all parties to this cause, their heirs, successors, administrators, executors and assigns, having or claiming rights in and to the surface and ground waters of the Santa Margarita River and its tributaries, and the United States of America and all other parties to this cause, their heirs, successors, administrators, executors and assigns, having or claiming rights in and to the surface and ground waters of the Santa Margarita River and its tributaries, are forever restrained from asserting, claiming or setting up any right, title or interest in or to those vagrant, local, percolating ground waters.

V

This Court retains continuing jurisdiction with respect to surface waters, if any, found on those lands described on Exhibit C of these Findings of Fact, Conclusions of Law and Interlocutory Judgment.

VI

IT IS FURTHER ORDERED, ADJUDGED AND DECREED, based upon the decision of the United States Court of Appeals for the Ninth Circuit, California vs. United States, 235 F2d 647 (C. A. 9, 1956), that this is not a final decree but it interlocutory in character and by reason of the Order by this Court that all parties are adverse one to another, thus dispensing with cross-pleadings, all other parties to this proceeding may object to these Findings of Fact, Conclusions of Law and Interlocutory Judgment and will be given full opportunity upon due notice to interpose their objections to these Findings of Fact, Conclusions of Law and Interlocutory Judgment.
